MINISTRY OF TRADE AND INDUSTRY
7 April 2015

¹ The advance GDP estimates for the first quarter of 2015 are computed largely from data in the first two months of the quarter (i.e. January and February 2015). They are intended as an early indication of the GDP growth in the quarter, and may be revised when more comprehensive data become available. Due to incomplete data, disaggregated advance GDP estimates will be available for the manufacturing, construction and services producing industries only.
